

GRANT SUMMARY

Completed Grant Summaries are made available to the public on the State Water Resources Control Board's (SWRCB) website at <http://www.waterboards.ca.gov/funding/grantinfo.html>

Use the tab and arrow keys to move through the form. If field is not applicable, please put N/A in field.

Date filled out: June 11, 2007

Grant Information: Please use complete phrases/sentences. Fields will expand as you type.	
1. Grant Agreement Number: 06-177-558-0	
2. Project Title: Upland Basin Expansion Project, Phase 2	
3. Project Purpose - Problem Being Addressed: The City of Upland will expand its existing Upland Basin to provide enhance over all groundwater quality and local water supplies by recharging higher quality storm water into the Chino Groundwater basin and also increasing flood control protection. The project's Recharge Basin is located at the upper end of the Chino Groundwater Basin. Construction will include basin improvements such as a jurisdictional berm, drainage facilities (spillway and low flow outlet) to the San Antonio Channel and disposal of gypsum materials.	
4. Project Goals	
a. Short-term Goals: Increase local water supplies to reduce dependence on imported northern California Water and provide flood management and protection to downstream communities.	
b. Long-term Goals: Improve groundwater quality and increase local groundwater supplies by water recharge in the upper chino groundwater basin.	
5. Project Location: (lat/longs, watershed, etc.) 34.1198; -117.6613, Chino Groundwater Basin, County of San Bernardino, Santa Ana Regional Water Quality Control Board - Region 8	
a. Physical Size of Project: (miles, acres, sq. ft., etc.) 38.87 acres	
b. Counties Included in the Project: County of San Bernardino	
c. Legislative Districts: (Assembly and Senate) Primary Assembly District 63, Additional 59 and 61 Primary Senate District 31, Additional 32	
6. Which SWRCB program is funding this grant? Please "X" box that applies.

Grant Contact: Refers to Grant Project Director.	
Name: Rosemary Hoerning	Job Title: Deputy Public Works Director, Utilities
Organization: City of Upland	Webpage Address: www.ci.upland.ca.us
Address: 1370 N. Benson Avenue, Upland California 91785	
Phone: (909) 291-2960	Fax: (909) 931-4274
E-mail: rhoerning@ci.upland.ca.us	
Grant Time Frame: Refers to the implementation period of the grant.	
From: December 31, 2006	To: September 1, 2008
Project Partner Information: Name all agencies/groups involved with project. N/A	
Nutrient and Sediment Load Reduction Projection: (If applicable) Storm water and imported water from northern California will be recharged into the project facility. These water supply sources have lower concentrations of Nitrates and TDS levels than those found in the Chino groundwater basin. The introduction of storm water and imported water sources will provide an overall improvement in to the groundwater quality. Additionally, the project is expected to capture 1,000 cubic yards of sediment.	

Please provide a hard copy to your Grant Manager and an electronic copy to your Program Analyst for SWRCB website posting. All applicable fields are mandatory. Incomplete forms will be returned.
